

A collection of stylized, cartoonish faces of children of various ethnicities and ages. Some have pigtails, some wear glasses, and one wears a red cap. They are all smiling or have neutral, happy expressions. The background is a light gray gradient.

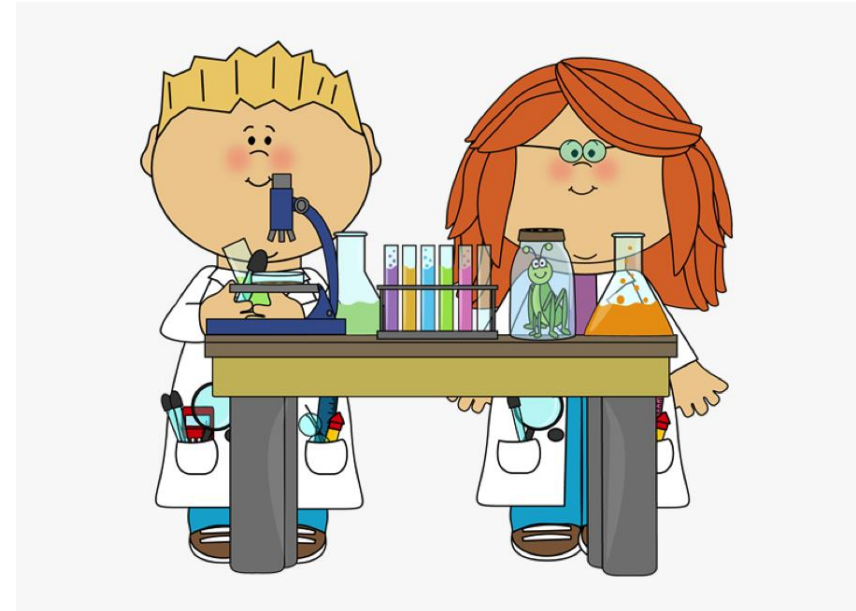

WE'RE GOING BACK TO SCHOOL

What is it going to be like?

In Scotland, very few people are ill with Covid-19.

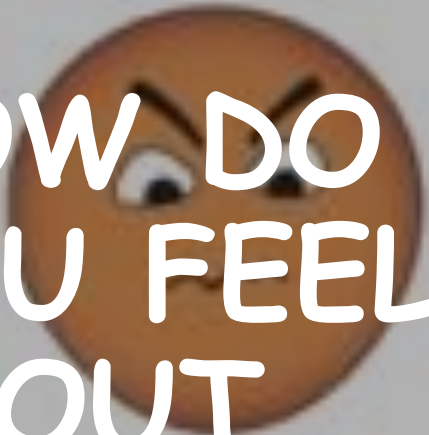

School can open again!

Scientists tell us children are quite safe but we need to make sure EVERYONE is safe and well.

How do you feel?

HOW DO
YOU FEEL
ABOUT
THAT?

Angry

Scared

Sad

Happy

Frustrated

Anxious

Disappointed

Calm

We know that we spread the virus when we cough or breathe out.

So we need to work as a team to protect everyone.

It is Miss Wells' job to keep ⁺us all safe:

Keep the school clean.

Teach us how to stop spreading germs.

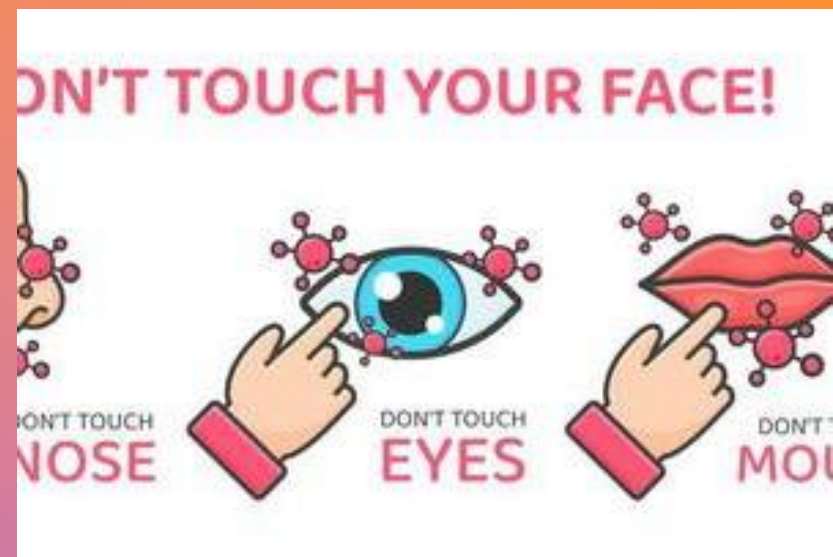

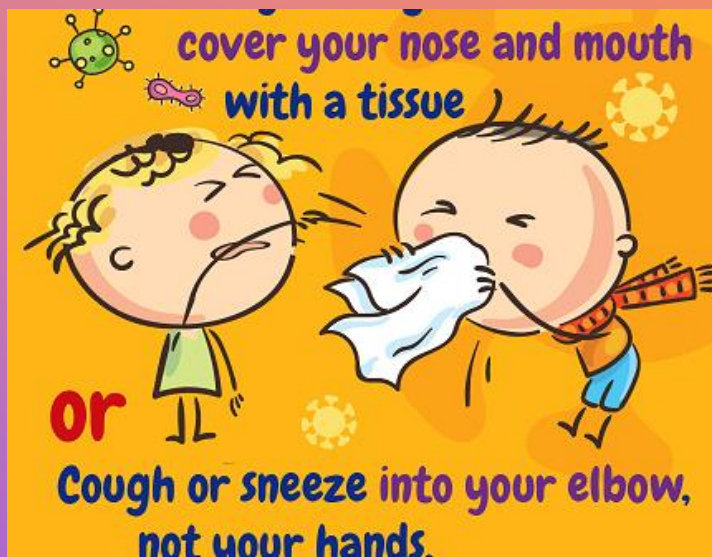

Make sure the adults are safe when we are learning.

Make sure we have the right equipment in school.

Make sure no one comes to school when they are unwell.

Let doctors ^o know if someone falls ill.

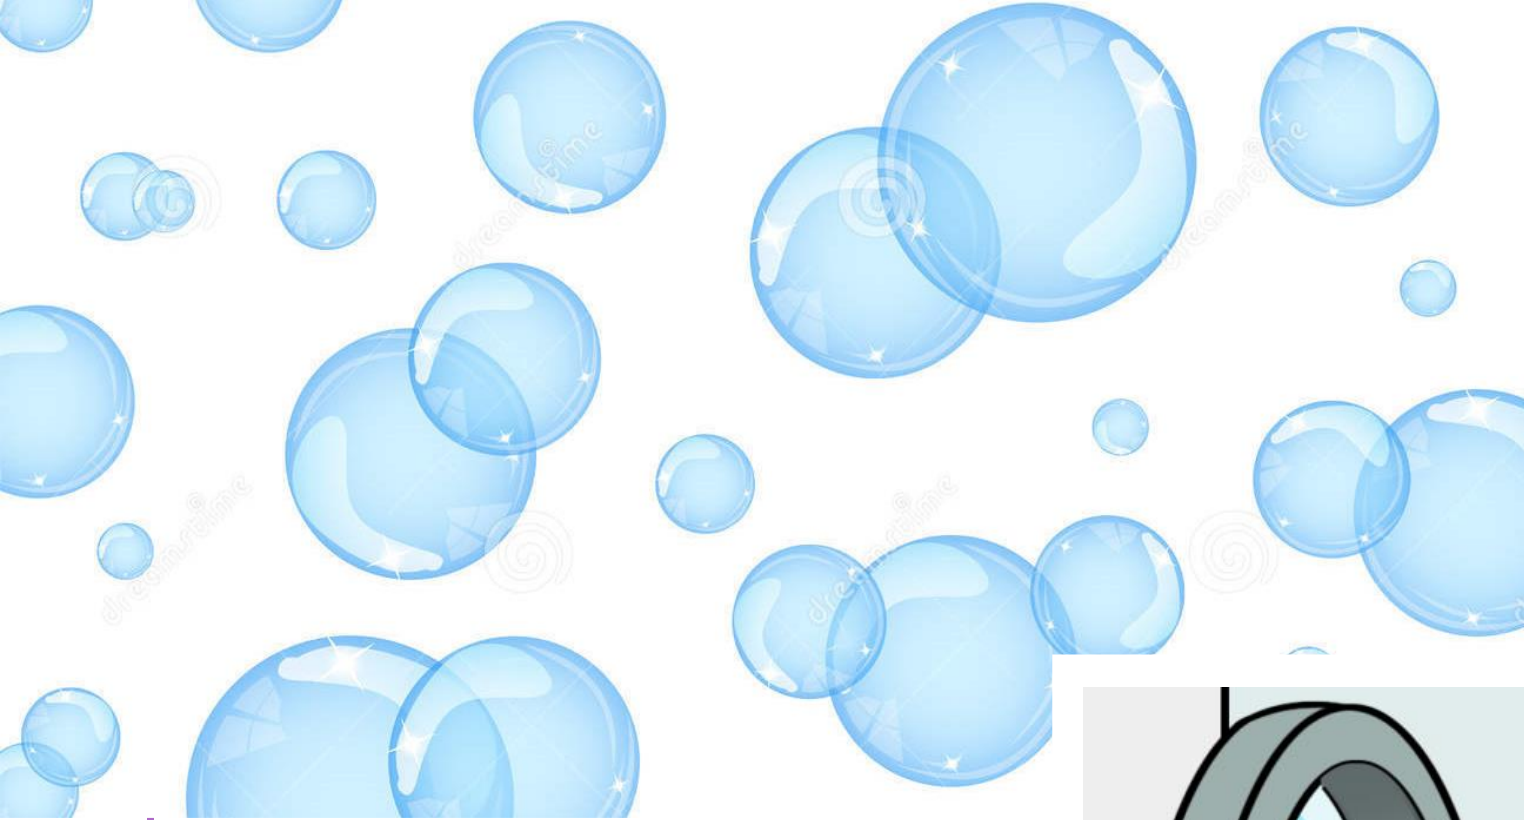

When we go back to school we will learn how we can help keep everyone safe.

There will be lots of signs to help us remember.

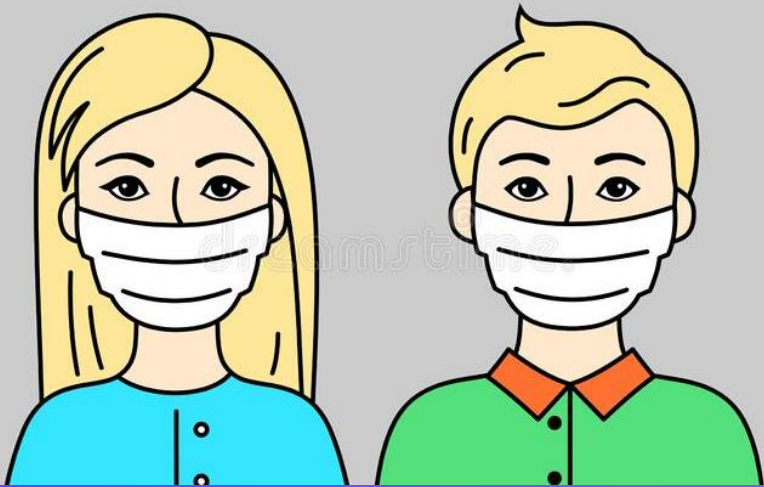

School uniform will
be clean and fresh
every day.....

We need to make sure the staff are safe too:

○ They may wear a mask when working in a small group or close to a you.

They will wear a protective clothing when helping you if you hurt yourself and in the lunch hall.

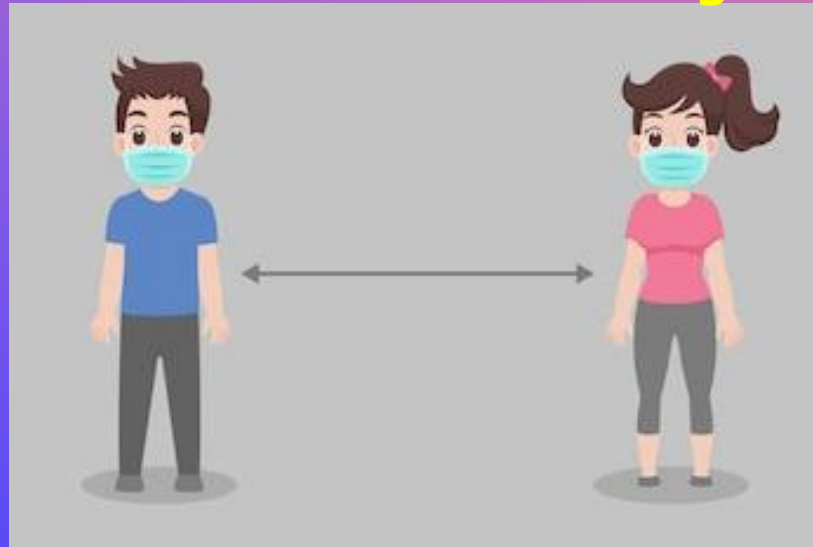

They will social distance from each other, and from you.

You will not need to social distance from your classmates.

At the beginning of school...

You will come to school between 9am and 9.15am and go straight into school. P2 to P7 pupils will enter the school through the main entrance. P1 pupils will enter the school at the infant door.

Parent/carer will drop you off in the playground and should not enter the building.

Parent/carer should social distance in the playground and only enter the playground to drop you off or pick you up.

Staff will keep the air fresh when we are learning inside.

○

Miss Bruniges will make PE fun when we are learning outside.

OUTDOOR CLASSROOM

We will learn outdoors much more than we normally do. We will need the right clothing for all different weathers.

You will help us
keep toys and
equipment clean.

+

There will be some toys that we only play with in small groups.

Sadly, you won't be able bring to your own toys to school. This includes footballs, bikes, scooters etc.

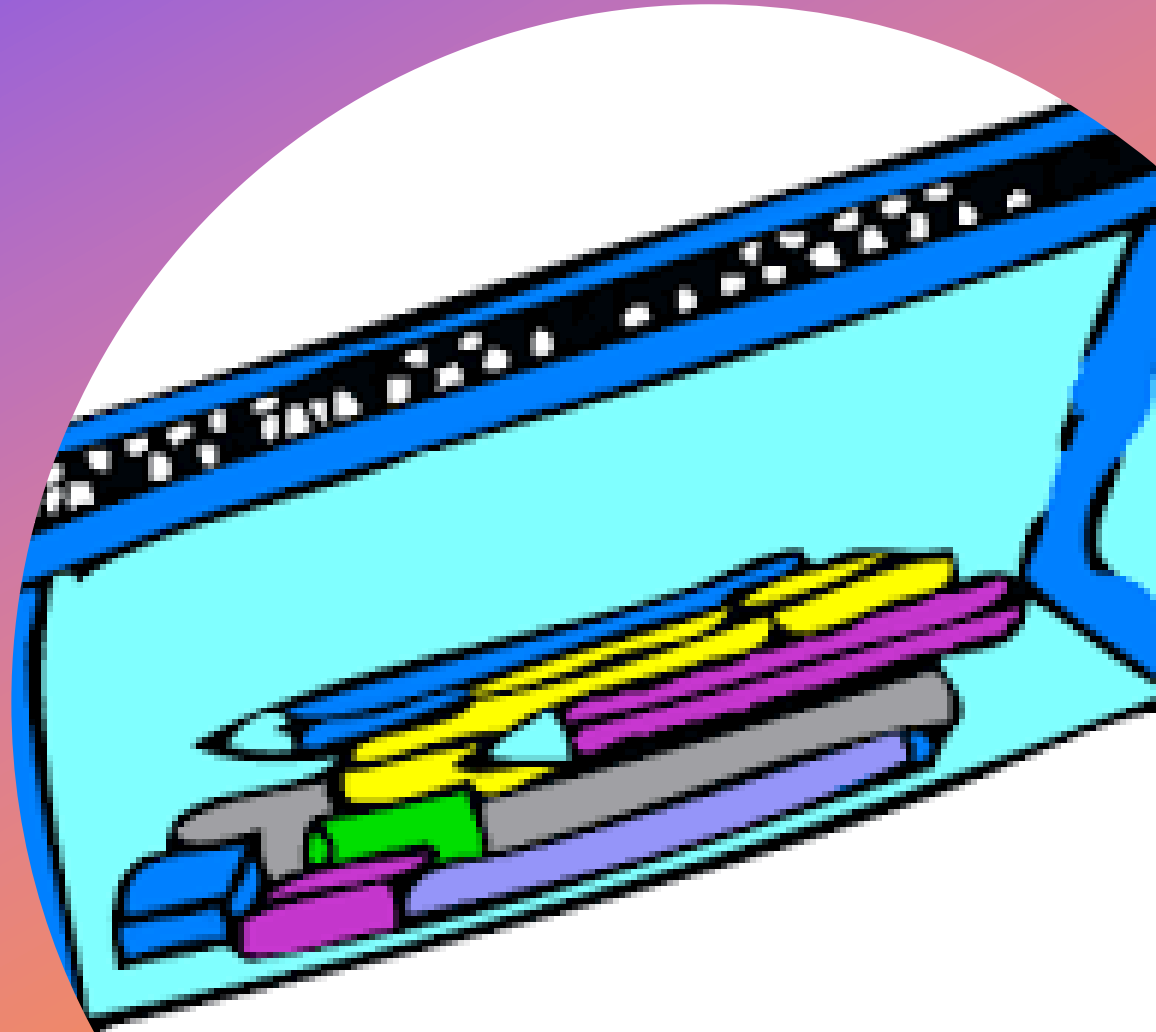

You will not need to bring your own pencil, rubber and ruler to school as you have your very own pack ready and waiting for you!

- +
-
-

You should keep your own belongings in your tray or school bag.

You can come to school dressed in your PE kit on your PE day.

+

Break and lunchtime will be a little different.

There will be no breakfast club in the morning.

We will have different break times.

- We will need to wash our hands before and after snack, and at the end of breaktimes.

At the end of the school day..

You will meet your parent/carer in the playground and leave the playground or walk straight home yourself.

If you feel unwell...

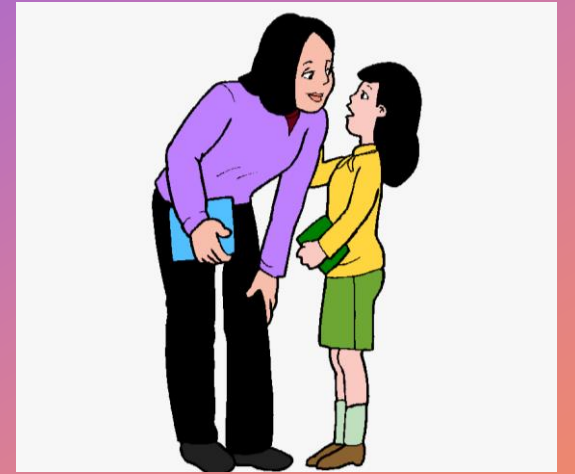

- new continuous cough
- fever/high temperature
- loss of, or change in, sense of smell or taste

Your parents will call/email Mrs Hallett in the office to tell us you won't be coming to school.

If you start to feel unwell at school:

1. Tell you an adult.
2. Wait in HT office.
3. School will ask your mum, dad or carer to come for you.

Now that you know more about school opening how do you feel about it?

What can we do to make sure you feel safe coming to school?
