

A collection of diverse cartoon children's faces, including a girl with pigtails, a girl with glasses, a boy with a mohawk, a boy with a red cap, and a girl with curly hair, all smiling or looking happy.

# WE'RE GOING BACK TO SCHOOL

What is it going to be like?

In Scotland, very few people are ill with Covid-19.

School can open again!

Scientists tell us children are quite safe but we need to make sure EVERYONE is safe and well.

# How do you feel?

HOW DO YOU FEEL ABOUT THAT?

Angry

Scared

Sad

Happy

Frustrated

Anxious

Disappointed

Calm

We know that we spread the virus when we cough or breathe out.

So we need to work as a team to protect everyone.

# It is Miss Wells' job to keep us all safe:

Keep the school clean.

Teach us how to stop spreading germs.

Make sure the adults are safe when we are learning.

Make sure we have the right equipment in school.

Make sure no one comes to school when they are unwell.

Let doctors know if someone falls ill.

**Miss Wells**

When we go back to school we will learn how we can help keep everyone safe.

There will be lots of signs to help us remember.

School uniform will  
be clean and fresh  
every day.....

# We need to make sure the staff are safe too:

○ They may wear a mask when working in a small group or close to a you.

They will wear a protective clothing when helping you if you hurt yourself and in the lunch hall.

They will social distance from each other, and from you.

You will not need to social distance from your classmates.

# At the beginning of school...

You will come to school between 9am and 9.15am and go straight into school. P2 to P7 pupils will enter the school through the main entrance. P1 pupils will enter the school at the infant door.

Main Entrance

Parent/carer will drop you off in the playground and should not enter the building.

## School corridor

Parent/carer should social distance in the playground and only enter the playground to drop you off or pick you up.

**Mrs Cormack**

**Mrs Christie**

**Ms McDonald**

Class teachers will keep the air fresh when we are learning inside.

**Mrs MacFarlane**

**Mrs Boyd**

**Mrs Bruniges**

Miss Bruniges will make PE fun when we are learning outside.

Our School Hall

OUTDOORS  
CLASSROOM

We will learn outdoors much more than we normally do. We will need the right clothing for all different weathers.

You will help us  
keep toys and  
equipment clean.

Classrooms

There will be some toys that we only play with in small groups.

Sadly, you won't be able to bring your own toys to school. This includes footballs, bikes, scooters etc.

You will not need to bring your own pencil, rubber and ruler to school as you have your very own pack ready and waiting for you!

+

•

○

You should keep your own belongings in your tray or school bag.

You can come to school dressed in your PE kit on your PE day.

## Playground

Games to play.

Mrs Anderson, Mrs Rees and Mrs Morris will look after you at playtime.

Break and lunchtime will be a little different.

There will be no breakfast club in the morning.

We will have different break times.

We will need to wash our hands before and after snack, and at the end of breaktimes.

## Our Lunch Hall

Mrs Anderson

Mrs Rees

Mrs Morris

At the end of  
the school day..

You will meet your  
parent/carer in the  
playground and leave the  
playground or walk straight  
home yourself.

# If you feel unwell...

- new continuous cough
- fever/high temperature
- loss of, or change in, sense of smell or taste

Your parents will call/email Mrs Hallett in the office to tell us you won't be coming to school.

**Mrs Hallett**

# If you start to feel unwell at school:

1. Tell you an adult.
2. Wait in HT office.
3. School will ask your mum, dad or carer to come for you.

Now that you know more about school opening how do you feel about it?

What can we do to make sure you feel safe coming to school?
