Introduction to Gourdon School

Dear Parents/Carers,

It gives me great pleasure to welcome you and your child to our school. We hope your child's time with us will be happy, rewarding and successful.

The purpose of this handbook is to provide you with information about the school, our aims and our routines.

We aim to provide a safe, happy and secure learning environment for all children so that they will look forward to coming to school and will become successful learners, who are confident and responsible. We value our pupils' views and encourage them to develop their own opinions, think for themselves and to take the initiative in their own learning.

We promote good behaviour and pride ourselves on maintaining a positive ethos so that all children feel valued and respected and develop high self-esteem.

We look forward to working with you and recognise the important role you play in your child's education. It is crucial that as your child progresses through school your involvement continues, and we maintain a close relationship.

I would like to take this opportunity to invite you to come into the school to discuss any matter regarding your child's education, no matter how small, with me or any other member of staff.

We believe that a good parent/teacher partnership will ensure that your child receives the best possible education during their time at Gourdon Primary School.

We look forward to sharing the education of your child.

Yours sincerely

Angela Wells

Miss Angela Wells
Head Teacher

Organisation of the School Day

School Hours

P1-P7

Morning Session	9.15am – 10.45am
Morning Break	10.45am – 11.00am
Lunch	12.30pm – 13.30pm
Afternoon Session	13.30pm – 15.30pm

Due to current Covid-19 guidance please note the following changes below:

Doors open from 9.00am - 9.15am. Staggered break times in place for pupils.

No child/children should come to school before 9.00am.

Children must not leave the school building or playground area without the permission of a member of the teaching staff.

Staffing 2020 / 2021

Head Teacher	Miss A Wells
Class Teachers	Mrs G Cormack (P1) Mrs M Boyd & Mrs G Macfarlane (P2/3) Ms J McDonald (P4/5) Mrs C Christie (P6/7)
NCCT Teacher	Miss D Bruniges
SFL Teacher	Mrs S Gray
IPT Teacher	Mrs C Collett
Pupil Support Assistant	Mrs L Morris
Pupil Support Assistant	Mrs M Rees
Pupil Support Assistant	Mrs J Anderson
School Administrator	Mrs S Hallett
Clerical Assistant	Mrs M Rees
Cook	Mrs D Dart
Kitchen Assistant	Mrs D Buck Mrs L Mowatt
School Cleaner	Mr W Davidson
Janitor	Mr S Parry
Caretaker	Mr W Davidson
Educational Psychologist	Miss F Seaton
Instrument Tutor	Ms S Thomson

Gourdon Primary – Background Information

Gourdon Primary School is a non-denominational school rebuilt in 1957 following a fire which destroyed the original building. The school serves the village and surrounding area and comprises a variety of owner occupier and council houses. The school was inspected by HMIE in June 2010 showing that we are very good in Improvements in Performance, Learners' Experiences, Meeting Learning Needs and Improvement through Self-Evaluation and good in The Curriculum for Excellence. Improvement for the school and education authority was Curriculum for Excellence. The report can be viewed online or be obtained from the school on request.

On leaving Gourdon School, most pupils transfer to Mackie Academy in Stonehaven which has 11 associated primary schools within the Stonehaven Community Schools Network (CSN).

Within the Stonehaven CSN, all services operate in an integrated framework in order to ensure that every child has the optimum opportunity to maximize his or her full potential.

The school has four classrooms and a dining room where meals are served from our own kitchen. The playground area surrounds the school and is a mixture of grassy areas and tarred surfaces with benches and flower tubs to enhance the landscaping.

Access to the school is through the main door at Reception where a monitored security system with camera is in operation. All other doors in the school are locked (from outside) during the school day but are easily opened in case of fire.

For the safety of all pupils, parents should not use the staff car park.

The current school roll is 81 pupils at September 2020.

Gourdon Primary School has four full time and three part time teaching staff. The Head Teacher is non-class committed. We also have one visiting specialist who provide support for learners one day a week.

The school has an active Parent Forum know as Together at Gourdon. We currently hold a silver ECO School award and working towards our Green Flag. We are also working towards accreditation for Rights Respecting School.

Our Community

The school is used for a range of community activities, including after school sports and activity clubs (currently on hold due to Covid-19 guidelines). The Head Teacher is invited to attend Community Council meetings and the school has a very supportive Parent Council. These groups support school improvement activities and raise additional funds to provide many extras for the pupils in the school. The school organises and hosts the village Senior Citizens Club which promotes intergenerational learning and mutual respect (currently on hold due to Covid-19 guidelines).

Our Vision, Values and School Ethos

Vision for our school

We strongly believe that a positive ethos is fundamental in the success and progress of Gourdon Primary. Central to this has been the creation of a shared vision, values and aims that is inclusive and focuses on improved outcomes for all. Our vision, values and aims has been created in consultation with staff, pupils and partners and underpins all that we do. At Gourdon Primary our overarching vision is that 'we all aspire to develop the skills to cope with change, to create a safe and engaging learning environment within which to thrive and succeed and to celebrate our differences'.

Values that underpin our work

Our starting point for learning is a positive school ethos and a climate of respect and trust based upon our shared values: HONESTY, WORKING HARD, WORKING TOGETHER, A POSITIVE MINDSET, BEING RESILIENT and BEING RESPECTFUL.

What do we aim to achieve for our children/pupils

At Gourdon Primary we are aiming for:

- everyone to feel valued
- everyone to be successful and reach their potential
- everyone to work in partnership within our school and our community.

We aim to 'Get it Right for Every Child' by working in partnership with staff, children, parents and carers, other agencies and our local, national and global community to deliver learning in an active, relevant and engaging way. Our work is underpinned by our Curriculum Rationale

At Gourdon everyone is considered an individual with potential to be realised, strengths to be recognised and needs to be met.

Through our aims we endeavour to provide each of our pupils with an enjoyable quality educational experience, which will in turn prepare them to be successful learners, confident individuals, responsible citizens and effective contributors to society and at work, as outlined in A Curriculum for Excellence.

<p style="text-align: center;">At Gourdon School Successful Learners</p> <ul style="list-style-type: none"> • Are enthusiastic and motivated • Are determined • Listen to new ideas • Are independent • Are creative • Can use technology • Can give reasons for their own thoughts • Can apply their knowledge and skills • Can use and understand language skills • Can use and understand maths 	<p style="text-align: center;">At Gourdon School Confident Individuals</p> <ul style="list-style-type: none"> • Have self-respect • Feel good about themselves • Know what is right and wrong • Have things they believe in • Are ambitious • Get along with others • Are self-aware • Can explain their beliefs • Are independent • Are able to assess risks and take informed decisions
<p style="text-align: center;">At Gourdon School Responsible Citizens</p> <ul style="list-style-type: none"> • Respect others • Are responsible • Know about the world and Scotland's place in it • Understand different beliefs and cultures • Make informed choices and decisions • Express judgements on issues • Develop their own views about complex issues 	<p style="text-align: center;">At Gourdon School Effective Contributors</p> <ul style="list-style-type: none"> • Are enterprising • Keep trying • Are self-reliant • Can communicate in different ways in different settings • Can work as part of a team • Can show initiative and lead • Can apply critical thinking in new situations • Are creative and can develop ideas • Can solve problems

Curriculum

Within our school, we aim to provide a curriculum that is both inclusive and ambitious for all – a curriculum which is both academically challenging and also provides opportunities to develop skills for learning, life and work.

Our curriculum will be based around the four capacities of Curriculum for Excellence – to ensure our pupils are successful learners, confident individuals, effective contributors and responsible citizens. Our curriculum will also reflect the principles of curriculum design to ensure breadth, depth, personalisation & choice, challenge & enjoyment, progression, coherence and relevance. We will, therefore have a curriculum which we will adapt continuously over time to meet the needs of our pupils.

Following the principles of Curriculum for Excellence, achievement of children and young people is celebrated in its broadest sense. This means looking beyond formally assessed learning, to recognise activities like volunteering and participation in arts, sports and community-based programmes. This approach complements the nurturing and aspirational outcomes of Getting It Right for Every Child, and our aim in Aberdeenshire to overcome inequality by Raising Attainment for All, promoting Equity and Excellence in schools, and Closing the Gap.

Curricular Areas

- **Literacy and English Language:** Listening, Talking Reading and Writing.
- **Numeracy and Mathematics:** Number, Money and Measure, Information Handling, Shape, Position and Movement.
- **Health & Wellbeing:** Mental, emotional, social and physical wellbeing, Physical education, activity and sport, Food and health, Substance misuse, Relationships, sexual health and parenthood.
- **Social Studies:** People, past events and societies, People, place and environment, People, society, economy and business.
- **Sciences:** Planet Earth, Forces, electricity and waves, Biological Systems, Materials, Topical Sciences.
- **Technologies:** Technological developments in society, Business technology skills and knowledge, Computing science, Food and textiles, Craft, design, engineering and graphics.
- **Expressive Arts:** Music, Drama, Art and Design and Dance.
- **Religious and Moral Education:** Christianity, World Religions, Development of beliefs and values.
- **Modern Languages:** French & Spanish

Curriculum Design

Our curriculum is designed on the basis of the following 7 principles:

- Challenge and enjoyment
 - Breadth
 - Progression
 - Depth
 - Personalisation and choice
 - Coherence
 - Relevance
-

Developing Young Workforce

As part of the curriculum, pupils will develop skills for learning, life and work. More detail about these key skills can be found using the link below:

<https://www.npfs.org.uk/skills-in-a-nutshell/>

Throughout their time in school, from Early Years onwards, all pupils will have an opportunity to engage with employers, through experiences like workplace visits, career talks, employability events and courses, work experience and curriculum-based activities. They will also have the opportunity to learn about further and higher education, and the work done by training providers, as well as different career pathways into employment.

In S4-6, pupils will be given the opportunity to study for vocational qualifications, including Foundation Apprenticeships, alongside the more traditional qualifications.

Further information for parents on Foundation Apprenticeships can be found at <https://www.apprenticeships.scot>

Further information for parents can be found on the Aberdeenshire DYW website: <http://dywaberdeenshire.org/parents/>

Curricular Levels

Early	The pre-school years and P1, or later for some.
First	To the end of P4, but earlier or later for some.
Second	To the end of P7, but earlier or later for some.

Development of Spiritual, Moral, Social and Cultural Values

In our school we are committed to providing appropriate opportunities for the development of pupils' spiritual, moral, social and cultural values through both the ethos and the curriculum. This will be undertaken in partnership with parents and will take account of the individual needs of pupils and the views of parents.

Our school welcomes and encourages diversity and individuality, while emphasising our common commitment to moral values such as honesty, respect for others, compassion and justice. It is a fundamental principle of our school that all who are involved in the life of our school has the right to be respected as individuals and carry the responsibility to act in a considerate and respectful manner towards others. We implement the Council policy for Equal Opportunities and ensure that all pupils have access to the full range of educational experiences available within the resources of the school. We are firmly committed to the elimination of any form of discrimination on the grounds of age, race, religion, gender, sexuality or disability.

Extra-Curricular Activities

At Gourdon School a range of extra-curricular activities is also provided. We rely upon the goodwill of staff and the support of parents in running these clubs. Information regarding current clubs and extra-curricular activities will be communicated throughout the year via school newsletters. A range of Cultural, sporting and arts opportunities are offered as these become available. At present we have a Cross-Country Club, a Netball Club run by our Parent Council and a Country Dancing Club (currently all on hold due to Covid-19 guidelines).

1+2 Language Learning

The Scottish Government has introduced a policy 'Language Learning in Scotland: A 1+2 Approach'. Children are growing up in a multilingual world and to allow them to take their place as global citizens, they need to be able to communicate in many settings. This approach entitles every child and young person to learn two languages at school in addition to their mother tongue language.

In Gourdon School the first foreign language is French. The second language varies depending on the learning of the class at the time. This language will be learned from P1 (in Primary School) through to S3 (in secondary school).

If you would like your child to access Gaelic Medium Education and they have not yet started to attend a primary school, you can make a request for an assessment of need for Gaelic Medium Primary Education (GMPE). For more information, please go to:

<http://aberdeenshire.gov.uk/schools/information/gaelic-in-schools/>

The parent or carer of any child or young person can make a request for their child to attend to any school which offers GMPE. This will enable your child to be taught by specialist staff. As there are currently no schools in Aberdeenshire which have GME provision learners are transported to school in Aberdeen City.

Further Information

Further information on the schools approach to Curriculum for Excellence including information for parents, can be found on the school website at:

<http://gourdon.aberdeenshire.sch.uk/>

Assessment and Reporting

Pupils move through the curriculum at their own pace. A wide range of assessment techniques are used in school depending on what is being assessed and the reason for the assessment e.g.

- Observation of what the pupils “say”, “write” and “do”.
- Homework
- Self and peer assessments
- Marking of class work and other individual/class assessments
- Ongoing tracking and monitoring procedures in school
- Scottish National Standardised Assessments (P1, P4, P7 and S3)

Progress will be evidenced using a variety of approaches that best reflect the learning that has taken place and will track the skills that your child or young person is developing.

Assessment is ongoing throughout the Broad General phase and is a continuous process which influences the goals set for your child. As part of assessment, each year children and young people in P1, P4, P7 and S3 will participate in the Scottish National Standardised Assessments (SNSA). These national assessments are completed online and provide teachers with immediate feedback on each child or young person’s progress in literacy and numeracy. Children and young people do not have to prepare or revise for the assessments, which take place as part of normal learning and teaching. The assessments do not have any pass/fail mark and the results are used to help teachers plan the next steps in learning for each child/young person. Further information on SNSA is available at:

<https://standardisedassessment.gov.scot/>

The results of children’s achievements are discussed with them regularly so that they are involved in taking responsibility for their own learning. This may take the form of oral discussion and/or written comment. In this way, it is hoped to assist the pupil identify what has been learned and the next steps to their learning. Children regularly set targets in their work.

Parents will be informed of progress:

- through pupil profiles/learning logs
- through parent consultation evenings and other meetings
- through curriculum/learning events/parent workshops
- by the annual school report
- Individual Education Plans and associated documents

At Gourdon School, pupils have responsibility for maintaining their **pupil profile** which involves them pulling together their strengths, achievements both inside and outside of school to help them understand what they are learning and support planning for future learning. Pupil Profiles are shared with parents / carers via See Saw throughout the session. Parent and carers have the opportunity to discuss with their class teacher their child’s progress throughout the session. Pupil reports are shared with parents / carers in term three.

Parents and carers are encouraged to contact the school at other times throughout the year to discuss their child's progress.

Secondary schools: Assessment & Reporting in the Senior Phase (S4-S6)

In the Senior Phase pupils embark on the National Qualifications.

As pupils enter this phase they are set an aspirational target grade for each subject they are studying. This forms the basis for learning conversations between staff and pupils to discuss progress and identify next steps. This is shared with parents/carers through TRACKING Reports.

Further Information on Assessment, Reporting & Profiling can be found on Parentzone:

<https://education.gov.scot/parentzone/learning-in-scotland/assessment-and-achievement>

Transitions (Moving On)

Transfer to Primary 1

In order to support and ease transition into P1, we arrange a series of induction events/meetings for you and your child. These events are planned to allow you and your child to become familiar with the school building, to meet staff, to meet with the other children including your child's buddy and to find out about life in school and what you can do to support your child's transition into P1. The induction process starts in your child's pre-school year, with P1 staff arranging to visit your child in their pre-school setting wherever possible in order to begin to get to know your child.

Induction meetings are arranged for parents around May/June in order to share information about starting school and how you can help your child at home. This is also an opportunity for parents to meet their child's teacher and to ask any questions or share any information.

At these induction meetings, parents are issued with a range of materials designed to support children's learning at home and parents are asked to complete a range of forms to gather information about e.g. your child's medical needs, contact addresses, special needs etc.

Our prospective P1s also have the opportunity to come into class for a series of induction sessions around May/June. This allows the children to begin to get to know their classmates and their teacher as well as familiarising themselves with the school buildings and classroom routines.

Parents are also invited to join their P1 children for a school lunch – usually at the beginning of September.

Information communicating details of P1 induction arrangements along with dates will be communicated directly to Prospective P1 parents around April.

Transfer to Secondary Education

Most children from Gourdon School attend Mackie Academy in Stonehaven. (Telephone Number 01569 690550).

Gourdon School is part of the Stonehaven Community Schools Network.

An induction programme for P7 is in place to help ease the transition into S1. P7 pupils spend a number of days at Mackie Academy towards the end of the summer term. Further information is communicated to parents about the induction calendar for secondary school around February each year. Parents also have the opportunity to visit Mackie Academy where information will be shared and questions can be asked.

Liaison between Gourdon Primary and Mackie Academy is very good. During the P7 year, pupils have many opportunities to join with P7 pupils from the other Stonehaven Community Schools Network. Transition art projects, sports festivals, trips, invites to the academy pantomime and other ad hoc activities are arranged for P7 pupils to get together.

Information about our P7 pupils is shared with guidance staff at the academy to help support appropriate continuity of education. Parents are welcome to attend these information sharing meetings, especially when additional support has been provided previously.

Mackie Academy staff also visit our pupils in Gourdon Primary where information is shared and questions can be asked.

Where parents opt to send their child to any other secondary school, (following placing requests) Gourdon School supports any alternative transition arrangements wherever possible.

Placing request forms are available from the school. For further information on placing requests please call the school.

Transitions between Stages

For some children, the thought of moving onto their next class/teacher can also be an anxious time. Again, we have structures in place to support these transitions. Teachers share planning and work together on school improvement projects helping to ensure a commonality of expectations and approaches. Time is arranged for teachers to hand over information regarding the learning needs of the pupils transferring from class to class. Around May/June of each year “moving on” time is also arranged where pupils can meet their next teacher and their classmates. Opportunities throughout the year for children to work on joint projects, e.g. Enterprise challenges help to ensure that the children have opportunities to work with other staff and pupils. If you have any particular concerns regarding transitions, please make an appointment to see the Head Teacher. Visit Parentzone for more information about transitions:

<https://education.gov.scot/parentzone/my-child/transitions>

1 Admissions

Nursery Admissions.

Early in each calendar year, all parents/carers should complete an application form and submit this to the nursery of their choice. This can be your local school nursery or any other early learning and childcare setting within Aberdeenshire. The application form can be found here:

<http://aberdeenshire.gov.uk/schools/information/early-learning-and-childcare-information/>

Primary Admissions

New entrants to P1 are enrolled early in the calendar year for entry to school in August. This is for children who will be five on or before the school start date in August. Those that have their fifth birthday between the August start date each year and the end of February the following year, may also be admitted. Go to:

<http://aberdeenshire.gov.uk/schools/information/primary-school-registration/>

To view the school catchment area for your address, go to:

<https://aberdeenshire.gov.uk/schools/school-info/admissions/school-zones/>

2 Placing Requests & School Zones

For all advice and information on placing requests and guidance on school catchment/zones go to:

<http://aberdeenshire.gov.uk/schools/information/choosing-a-school>

Your child would normally attend a school within the school catchment area (zone) close to where you live. However, you can request that your child attends a school in another zone (out of zone). Please follow the links for more info:

[Out Of Zone Placing Request Policy & Procedures](#)

Support for Children and Young People

3 Getting it Right for Every Child

Getting It Right for Every Child (GIRFEC) is the national policy approach in Scotland which aims to support the wellbeing of all children and young people, by offering the right help, at the right time, from the right people. Certain aspects of this policy have been placed in law by the Children and Young People (Scotland) Act 2014.

Aberdeenshire's schools play a key part in delivery of Aberdeenshire's Children's Services Plan.

Its vision is that:

'Our commitment to Aberdeenshire's children and young people, is to provide them with the right support, in the right place, at the right time.'

In helping them reach their individual potential and goals, we will work together to make Aberdeenshire the best place in Scotland to grow up'

You can find out more about our Children's Services Plan at:

<http://www.girfec-aberdeenshire.org/who-we-are/our-childrens-services-plan/>

4 Wellbeing

Wellbeing of children and young people sits at the heart of the *Getting it Right for Every Child* approach. Eight Wellbeing Indicators shown below, outline the aspirations for all Scotland's children and young people.

The Getting It Right approach means services will work in partnership with children, young people and their parent/carer(s) and we want every child at our school to feel happy, safe and supported to fulfil their potential.

At Gourdon Primary, we aim to get it right for every child through our inclusive and nurturing ethos, building relationships with learners, families and multi-agency partners and putting the child at the centre when making decisions which affect them.

5 Children's Rights

The Children and Young People (Scotland) Act 2014 included new law to help make sure children's rights are promoted across Scotland. Children and young people's rights and participation are promoted in lots of different ways by schools in Aberdeenshire.

This means we:

- Raise awareness of Children's Rights, and how rights can be accessed
- Provide opportunities for children and young people to get involved in decision-making
- Make sure children and young people's views influence how we develop services
- Support children and young people to express their views (where needed)
- Listen to children and young people's views on what we do well, and what we could do differently

Aberdeenshire Council has endorsed a Children and Young People's Charter. You can find out more about Children's Rights and opportunities for participation at:

<http://www.girfec-aberdeenshire.org/home/children-and-young-people/>

6 The Named Person

Prevention and early intervention are seen as key to the Getting It Right approach in achieving positive outcomes for children and young people. By providing support at an early stage, most difficulties can be prevented from escalating.

One way the Scottish Government has decided this should be taken forward, is by making a Named Person available to every child and young person in Scotland. From birth to prior to starting school, the Named Person Service is provided by your Health Visitor. The Education Service provides the Named Person Service for all children on entry to Primary One, until aged 18 (or beyond where a young person remains at secondary school). In Aberdeenshire the Named Person will be either the Primary Head Teacher or Deputy Head Teacher and in Secondary School, the Named Person will be that young person's allocated Principal Teacher of Guidance (with a few exceptional circumstances).

The purpose of the Named Person role is to make sure children, young people and parents have confidence that they can access help or support no matter where they live or what age the child is. Acting as a central point of contact, the Named Person can help children, young people or parents/carers get the support they need, if and when they need it.

The Named Person can help by:

- Providing advice, information or support
 - Helping a child, young person, or to access a service or support
 - Discussing or raising a wellbeing concern about a child or young person.
-

There is no obligation for children and young people or parents to accept any offer of advice or support from the Named Person. Non-engagement with a Named Person is not in itself a cause for concern. The Named Person Services is currently delivered on a national policy basis.

For more information you can contact your child or young person's Named person directly, or go to:

<https://www.gov.scot/policies/girfec/named-person/>

The Named Person for your child/young person is: **Miss Angela Wells (HT)**

7 Educational Psychology

The Educational Psychology Service (EPS) provides a service across Aberdeenshire from pre-birth to 24 years old. We work with children, young people, families, educational staff, local authority colleagues and a wide range of other professionals including health professions, social work, early years partner providers and post school training and education providers.

When there are concerns about a child or young person's learning or wellbeing, an Educational Psychologist can support others to problem solve their way through potentially difficult and complex situations. Consultation with people who know the child best forms the basis of Educational Psychology assessment. Its purpose is to explore and understand the concern and support people to come up with solutions that will work in that particular context.

The EPS also offers a range of services that help improve learning and wellbeing for all children and young people. We do this through action research, development work with schools, training, and contributing to strategic developments.

<http://aberdeenshire.gov.uk/schools/eps/>

8 Enhanced Provision & Community Resource Hubs

Aberdeenshire Council is committed to supporting children and young children to be educated in local schools through providing the right support in the right place at the right time. By enhanced provision we mean that a local primary and secondary school has an enhanced level of resources, such as access to a sensory room and life skills area; and support for learning staff who have an enhanced level of expertise to meet a range of needs.

Further enhancement is available through the community resource hub, for a small minority of children with severe and complex needs, who regardless of chronological age are making very small steps in learning and are at the early levels of learning. The enhanced provision centres and community resource hubs can offer outreach support to mainstream schools, short term assessment placements, flexibility (e.g. blended places) and access to a variety of therapies.

For more information on all of our resources and policies go to:

<http://asn-aberdeenshire.org/>

9 Support for Learning

At times in their lives all children may require support for learning for a range of reasons. Some children may need a lot of support all the way through school. Others may need only a small amount for a short time.

A child is said to have additional support needs if they need more, or different, support to what is normally provided in schools or pre-schools to children of the same age. Reasons for requiring support might include:

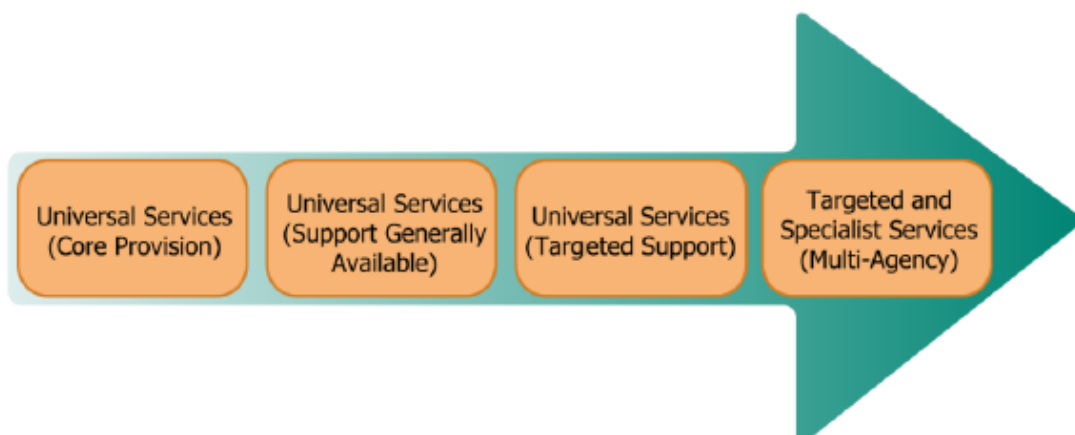

- Missing school because of an illness or long-term condition
- Having a physical disability
- Being a young carer
- Communication difficulties
- Being particularly able
- Changing school a lot
- Being looked after or in care
- Difficulty in controlling behaviour
- Having a difficult family situation
- Suffering a bereavement
- Being bullied

Each school cluster has an allocation of Teachers of Additional Support for Learning (ASL) who are employed to support pupils with additional support needs. They work across each cluster in primary and secondary. In partnership with school staff, parents and other professionals (if appropriate), they identify barriers to learning, assess children's needs and support learning and teaching through a relevant curriculum.

Pupil Support Assistants (PSAs) assist teachers in promoting achievement and raising the standards of pupil attainment. They provide general support in relation to the needs of the class and individuals' care, health and wellbeing and safety and to ensure a secure and safe environment.

10 The Child's Plan

The *Getting It Right* approach makes sure children and young people are provided with a range of support, which is proportionate and put in place to meet assessed need. This is reflected in Aberdeenshire's staged approach to assessment and planning for individual children and young people, shown below.

For a small minority of children or young people, there might be higher levels of wellbeing need or risk identified. These children may require a level of targeted support, which needs to be coordinated on a single or multi-agency basis through a Child's Plan.

Where a child or young person needs one or more targeted supports, the benefit of a Child's Plan will be discussed with them and their parents/carers. An assessment using the National Practice Model (My World Triangle/Resilience Matrix) would help to identify any wellbeing needs (*Safe, Healthy, Active, Nurtured, Achieving, Resected, Responsible, Included*), and highlights strengths and pressures in the child's situation. Families are fully involved as key partners in these discussions.

The Child's Plan will outline what action will be taken by the child, their family and professionals, and detail how these supports aim to help improve the child or young person's Wellbeing and overcome any difficulties. A Lead Professional will be identified to co-ordinate and manage any Child's Plan. Information is available on the Aberdeenshire *Getting It Right for Every Child* Website:

<http://www.girfec-aberdeenshire.org/>

11 Child Protection

Child protection is the responsibility of all who work with children and families regardless of whether or not they come into direct contact with children. All workers must be fully informed of their responsibilities in respect of keeping children safe. All services working with children, young people and families are expected to identify and consider the wellbeing of children and to share concerns appropriately.

Within our School we have a designated member of staff appointed to be responsible for Child Protection matters. If there is the possibility that a child could be at risk, the school is required to follow the Child Protection Procedures laid out for Education.

This may mean that the child is referred to Social Work, the Police or the Children's Reporter. In our school the designated staff is: **Miss Angela Wells (HT)**

Remember – if you suspect a child is at risk, do not rely on someone else to notice.

If you would like to speak to someone, seek help or pass on information or concerns:

You can speak to designated staff in our school

Social Work Monday to Friday during office hours contact your Children & Families local [Social Work Office](#)

Evenings & Weekends call the Out of Hours Service on **03456 08 12 06**

Police Emergency **999**, Non-Emergency **101**

Signs of abuse can range from poor personal hygiene and hunger to unexplained injuries or self-harm.

If a young person tells you they are being abused:

- stay calm and listen to them
 - never promise to keep it a secret – tell them you must let someone else know
 - remind them that they are not to blame and are doing the right thing
 - report it, but leave any investigation to child protection agencies
-

Protecting Aberdeenshire's children and young people is everyone's business, go to:
<http://www.girfec-aberdeenshire.org/child-protection/>

12 Further Information on Support for Children and Young People

Enquire – National Parent Information Service and Helpline

<http://enquire.org.uk/>

Parent & Carer Involvement and Engagement

The term “parents” refers to anyone with parental responsibilities and others who care for or look after children or young people.

Both globally and nationally it is recognised that parents are the single most important influence on their children’s development, learning and achievement. The involvement and engagement of parents in their children’s learning is recognised as a key element in raising attainment, through support, help and encouragement given at home and whilst at school.

The Parental Involvement and Engagement Strategy demonstrates the commitment by Aberdeenshire Council to improve the quality and the extent of all parents’ involvement in their child’s learning and the important role they play in their child’s education.

The plan sets out a vision for parental involvement and engagement for the next three years and covers a journey that a child takes from pre-birth to age 18. It highlights the leadership of those who make the difference day in and day out.

<http://publications.aberdeenshire.gov.uk/dataset/parental-involvement-and-engagement-strategy-and-action-plan/resource/02c6596e-8cba-42c7-b28a-ee64086ea42>

In Gourdon School we recognise that parents are the single most important influence on their children’s development, learning and achievement. The involvement and engagement of parents in their children’s learning is recognised as a key element in raising attainment, through support, help and encouragement given at home and whilst at school.

13 Parental Engagement

Parental engagement is about parents’ and families’ interaction with their child’s learning. It can take place in the home, at school or in the community: where it takes place is not important. The important thing is the quality of the parent’s engagement with their child’s learning, the positive impact that it can have and the interaction and mutual development that can occur as a result of that interaction.

14 Communication

The school uses a range of approaches to share information and enable insight into what your child is learning and how they are progressing. These include:

- Use of Groupcall to text and email
- School Website: <http://gourdon.aberdeenshire.sch.uk>
- Social Media: Facebook – TAG (Together at Gourdon)
- Newsletters: e-mailed & a copy to view on the school website
- School Events
- Positive Behaviour Management
- Celebration Assemblies
- Open days/mornings/afternoons
- Use of See Saw to highlight achievements in school

The school calendar highlights planned opportunities where we welcome parents & carers into school for events and opportunities to talk about their child's progress, wellbeing and behaviour (please see School Website for updated events).

15 Learning at Home

Learning at home is the learning which happens in the home, outdoors or in the community. Your home is a great place to support learning. Your child can try out new activities or practice familiar learning, at home and in their wider community.

At Gourdon School we provide suggested activities for you to work with your child to develop key skills at home. At the start of every term the key learning plan is shared with home via See Saw.

Any homework given consolidates and reinforces the work done in school and also gives you, the parent/carer an opportunity to become more involved in your child's learning.

The Research

Homework is a contentious issue! We know that many families dread the homework battle and struggle to fit it around clubs, activities and busy family life.

As part of our ongoing work on Visible Learning, we have been looking at the impact of homework on learners' progress. We have looked at research into what makes effective homework which has a real impact on learning and progress.

We have considered the work of James Nottingham and John Hattie, world renowned experts on Visible Learning. They have done significant research on effect sizes and impact on learning. An effect size of 0.4 or greater has a positive impact on learning. In primary school, the effect size of homework is 0.01 (the effect size in secondary school is higher). This means that traditional homework has little to no impact on learners' progress. However, the same research shows that by changing the type of task we suggest to pupils to share at home, the effect size increases to 0.9, a significant impact on learning.

This research underpins our approach to homework, meaning that we have moved away from more 'traditional' exercises to a family learning approach.

Whatever the reason or task, the homework will be purposeful, geared to the level of ability of the child and for the benefit of the child. If you feel that you or your child has difficulty with the homework, please contact the school in order to discuss the problem with the class teacher. The school welcomes the support of parents to ensure that any homework set is completed satisfactorily, and that it is signed.

Family Learning

What is family learning? Family Learning is when pupils are given an opportunity to share their learning at home to prepare for a coming lesson or topic.

What will my child have to do? You will be notified when your child has the opportunity to share their learning at home. This may not be every week and will vary from class to class. The children will be given an optional activity to share at home or a topic to find out some information about. Pupils will be given the opportunity to talk about and share their learning with their peers. There is no expectation that your child should prepare any written information, the onus is on their ability to talk about their learning.

What are the benefits? This is a more flexible approach to homework which will fit around busy family life, children's clubs and extra-curricular activities. If children already have some knowledge of a topic, teachers are able to provide greater challenge. Children will develop research skills and be able to talk about learning at home and at school. For some children, family learning will reduce anxiety about homework.

Reading homework will continue to be given home to practise for Primary 1- 7 children.

16 Parent Forum and Parent Council

The Parent Forum is a collective name for all parents, carers or guardians in the school.

The **Together at Gourdon (TAG)** is a group of parents selected by the Parent Forum to represent the views of all parents, carers and guardians in the school. The Parent Council works with the school to support learning and teaching, school improvement and parental and community engagement.

Contact the Parent Council Chairperson **Sarah Shakespeare** or Head teacher for more information about getting involved in the Parent Council or email: gourdon.sch@aberdeenshire.gov.uk

17 Parents and School Improvement

Our school has a range of priorities that we work on each year which are explained in our School Improvement Plan (SIP). Parents often have helpful and creative ideas about how to improve their child's school and what can be done to improve the quality

of children's learning. In our school we will consult with parents in a number of ways. These may include:

- working groups/focus groups which any interested parent is invited to be part of
- questionnaires and surveys
- consultation with the Parent Council

18 Volunteering in school

There are many opportunities for you to support learning in school. These may include:

- volunteering to share the skills and knowledge you have
- supporting children and young people in the classroom
- supporting or lead extra-curricular activities
- directly supporting with specific skills (paired reading for example)

More detail about this can be found using the link below:

<http://jobs.aberdeenshire.gov.uk/volunteer-with-us/> or contact your Head teacher.

Due to current Covid-19 guidance, volunteers are not permitted in school.

19 Collaborating with the Community

Gourdon School work with many local organisations, community groups and businesses to ensure our children and young people benefit from further resources, experiences and opportunities. If you are interested in working with the school, please contact the Headteacher.

The school is used for a range of community activities, including after school sports and activity clubs. At present we have a Cross-Country Club, a P1-P3 Sports Club supported by Active Schools, a Netball Club supported by the Parent Council and a Country Dancing Club. The Head Teacher is invited to attend Community Council meetings and the school has a very supportive Parent Council. These groups support school improvement activities and raise additional funds to provide many extras for the pupils in the school. The school organises and hosts the village Senior Citizens Club which promotes intergenerational learning and mutual respect.

20 Addressing Concerns & Complaints

Aberdeenshire Council recognises the vital role that parents play in supporting their child's learning and is committed to fostering positive relationships with parents. No matter how strong partnerships are, or how good our policies are, sometimes things can still go wrong and there may be occasions where parents wish to express unhappiness or dissatisfaction with council services, policies or staff behaviour.

<http://aberdeenshire.gov.uk/contact-us/have-your-say/have-your-say-guide/>

When a complaint is made it must be handled in accordance with the Complaints Handling Procedure which provides two opportunities to resolve issues internally. In order to maintain positive relationships, it is usually better for all if parental concerns or complaints can be resolved at school/ early years setting level as quickly as possible.

If a concern or complaint cannot be resolved at frontline resolution (Stage 1) then it will progress to Investigation (Stage 2) and a detailed investigation into the matter will be

carried out. Complaints that are complex, serious or high risk and require detailed, lengthy investigation may be dealt with at the Investigation Stage from the outset.

Once the two internal stages of the Complaints Handling procedure have been exhausted, the complainant must be directed to the Scottish Public Services Ombudsman (SPSO) to carry out an independent external review of the process. The SPSO is the final stage of the complaint procedure.

Once the SPSO reaches a decision they may contact the council with recommendations for improvement and will provide dates by which the recommendations must be implemented. The council is required to report back to the SPSO and evidence that the required action has been taken.

School Policies and Useful Information

School Policies such as the Homework Policy; Promoting Positive Relationships; our Mobile Phone etc. are available on request from the school.

All Aberdeenshire Council Education policies can be found here:

<http://www.aberdeenshire.gov.uk/council-and-democracy/about-us/service-structure/education-and-childrens-services-policy-framework/>

21 Attendance

Parents are responsible for ensuring that their children attend school regularly and arrive on time. They are also responsible for ensuring the safety of their children on their journeys to and from school except whilst on school transport where Aberdeenshire Council has clear guidelines about pupil safety. Absence of pupils travelling on School transport must also be communicated to the bus company or (where known) the bus driver.

Regular and punctual attendance is linked closely to achievement and school staff wish to work with parents to ensure that children can reach their full potential. The school is required by law to maintain an accurate record of the attendance and absence of each pupil and parents are requested to assist in this process by keeping the school informed if their child is to be absent for any reason. If a child is late, they must use the access door at the main entrance. If a child is not collected, they will be directed to the main reception whilst attempts are made to contact home.

It is important to note that if a child does not arrive at school and there is no reasonable explanation provided for his/her absence then members of staff will be required to ascertain the whereabouts and safety of the individual child. In order to avoid causing unnecessary concern for staff and parents the importance of good communication between home and school cannot be over-emphasised.

Parents are asked to assist school staff in the manner detailed below:

- If your child is unable to attend school through illness/other reason please telephone the school between 8:30am and 9:30 am on the first day of his/her absence or send a signed note via a brother or sister where applicable.
 - If your child is home for lunch and becomes unwell at lunchtime making them unable to return to school in the afternoon please telephone the school before the beginning of the afternoon session to inform a member of staff.
 - When you contact the school it would be helpful if an indication could be given as to the child's expected length of absence from school.
 - On your child's return to school a note should be provided explaining the reason for absence and confirming the periods of absence from the school. The note should be signed and dated.
-

Planned Absences

As part of Government Regulations we are required to record all absences as “authorised” or “unauthorised”. Authorised absences are due to illness or family bereavement and can also include time off to attend, e.g. sporting events or music exams.

- Under normal circumstances we do not send work home in the case of absence.
- For medical or dental appointments the teacher should be informed beforehand in writing. Children should always be collected and returned by an adult on these occasions. As far as possible such appointments should take place outwith the school day.

The school follows the Aberdeenshire Attendance Policy:

http://www.aberdeenshire.gov.uk/media/19805/attendance-policy_april-2015.pdf

Procedures for following up on pupil absence are based on the Education (Scotland) Act 1980 which requires by law that parents/carers ensure that children attend school regularly. The Home/School Liaison Officer has a key role to play, providing a vital link.

Covid-19

Due to our current situation, please click on the link below to find out what to do if you suspect your child or any other member of your household maybe presenting with symptoms.

<https://www.gov.scot/coronavirus-covid-19/>

22 Holidays During Term Time

The Scottish Government has deemed that holidays taken during term time for primary and secondary children should be recorded as unauthorised absence unless there are special, exceptional circumstances. Should you wish to remove your child from school to attend a family holiday you must inform the Head Teacher. This will be recorded as unauthorised absence though there may at times be exceptional family circumstances previously discussed with the Head Teacher. Parents are advised to limit the number of holidays taken during term time, to minimise disruption to a child’s education. For annual holiday dates for Aberdeenshire schools please see the section at the back of this book, contact the school office or go to:

<http://www.aberdeenshire.gov.uk/schools/parents-carers/school-term-dates-and-in-service-days/>

23 Dress Code

Pupils at Gourdon School are expected to wear school sweatshirt with school logo, white polo shirt, dark school skirt or trousers, dark school shoes (children should not wear trainers or high heeled shoes as these cause safety concerns). We appreciate your cooperation in support of this. Our P7 pupils also have the option of wearing a ‘P7 Leavers Hoodie’ and available to order through the school.

Please also consider the changeable nature of weather conditions and provide your child with appropriate outerwear and footwear to suit.

A limited stock of sweatshirts, cardigans & polo shirts are kept in school but we can order directly through our supplier Gilmour Sports if additional uniform is required and this generally arrives within ten days. On an annual basis order forms are sent home for parents to purchase school uniform in the autumn and spring terms.

Please note if the school is unable to be open, school uniform can be ordered directly from Gilmour Sports via the following link:

<https://www.schoolwearmadeeasy.com/badged-school-uniform/e-h/g/gourdon-primary-school/>

Physical Education - Pupils should come to school dressed in their PE kit on the day they have PE and stay in their PE kit all day. PE takes place outside and so pupils should wear appropriate clothing that they feel comfortable wearing. A change of socks, joggers etc is also helpful. Earrings can only be taped if ears are newly pierced; in all other cases they and any other jewellery must be removed. Your child must be able to do this independently as staff are not allowed to.

Parents should note their responsibility to ensure all clothing and belongings brought to school should be named or marked in some way, as it is difficult for children to distinguish their own clothing from that of others.

24 Clothing Grants

Some families may be entitled to a school clothing grant of £100 per eligible child per financial year. More information about this can be found at:

<http://www.aberdeenshire.gov.uk/schools/parents-carers/assistance/school-clothing-grants/>

25 Transport

In order to qualify for free Home-to-School Transport, Primary school pupils must reside more than 2 miles from and attend their zoned school whilst Secondary school pupils must reside more than 3 miles from and attend their zoned school.

These distances are the shortest available route from the pupil's house to the school gate and can take into account main roads (including dual carriageways), tracks and paths. Pupils will be assigned a collection point, in villages and towns and where safe to do so, pupils may have to walk up to 1 mile to the nearest collection point. Pupils who reside in rural locations are usually collected at the nearest adopted road to them (track end or roadside). School transport vehicles will not use private unadopted roads or tracks. It is the parent's responsibility to escort the pupil to and from their collection point. Application forms for free transport, Form PTU100 can be obtained from the school office.

26 Privilege Transport

Transport provision is also made available for pupils who are not entitled to free transport. Privilege transport is provided on school transport services subject to spare seating capacity, at a fixed annual charge. Discounts are available for pupils in receipt of the clothing grant, and to families with 3 or more children travelling to the same school. There are 3 types of privileged transport available.

In-zone Privileged transport

Pupils who attend their zoned school but do not qualify for free school transport due to their residence being under the qualifying mileage can apply for In-zone privilege transport. If there is suitable seating capacity available and an existing route then the application should be approved, if there is not and there is a safe walking route available to the pupil, then it may be rejected. Please also note that if seating capacity is needed for a pupil who is entitled to free school transport, In-zone Privilege pupils may be given written notice and removed from transport.

In-Zone Privilege Transport – Guaranteed

Pupils who attend their zoned school but do not qualify for free school transport due to their residence being under the qualifying mileage can apply for In-zone privilege transport. If there is no safe walking route available to the pupil, they are guaranteed a seat on transport by applying for an In-zone Privilege pass and paying the applicable annual charge. A pupil who is guaranteed in-zone privilege transport would not be removed to make room for a pupil who is entitled to free school transport.

Out of Zone Privilege Transport

There is no transport entitlement to pupils who attend a school which they are not zoned for. Pupils may apply for Out of Zone Privilege transport; pupils are required to meet the nearest available school transport vehicle to them, and it is the parent's responsibility to bring the pupil to the nearest collection point. Out of Zone Privilege transport pupils may be removed, with written notice, at anytime for In-Zone Privilege and Entitled transport pupils

For further information and application forms, see the Council website.

<https://www.aberdeenshire.gov.uk/roads-and-travel/school-transport/school-transport/>

Alternatively, copies of Privilege forms or further information can be requested by emailing: school.transport@aberdeenshire.gov.uk

27 Early Learning & Childcare Transport

Transport to early learning and childcare settings will not be provided by Aberdeenshire Council, unless there are relevant exceptional circumstances. Where there are significant additional support needs, transport may be provided. In such instances this requirement should be discussed with the Head Teacher in conjunction with the Early Years Quality Improvement Manager.

28 Special Schools and Enhanced Provision

Aberdeenshire Council may provide free transport where necessary for pupils who attend a school with enhanced provision proposed by the Authority. In certain cases, pupils may be encouraged to make their own way to school by public transport, and where this is authorised, bus passes are issued. Where a pupil's address falls in the delineated area of a resourced school, and is within reasonable walking distance, the Authority will take advice from the Community Child Health Service before deciding if free transport should be provided

29 School Closure & Other Emergencies

Head Teachers decide if and when schools should close due to bad weather or another emergency. In bad weather they will decide this after receiving information about local weather conditions. This decision can be made during any time, day or night. These guidelines outline the procedures for dealing with school closures during bad weather or other emergencies.

If children are at school...

School transport contractors have been told not to allow children to walk home alone from drop-off points under any circumstances during extreme weather conditions. If you can't meet or arrange for your child to be met, the school transport will return them to a designated location.

Public service vehicles – drivers of these vehicles follow a specified route and keep to timetables – they cannot make special arrangements.

If your child attends a Nursery, Primary or Special School, which is to close early, the school will contact you by telephone. If this is not possible the school will contact your named 'emergency contact'. No child will be released from school without contact being made. It is important contact details are current and the people named are available – particularly during bad weather.

If your child attends a Secondary School, because of the large number of pupils in Secondary Schools, parents will be contacted via text/email to inform them of closure.

If you are concerned about local weather conditions contact the school. You may wish to collect your child yourself and are free to do so provided you make arrangements with the school.

Before the start of the school day...

During bad weather some staff may not be able to get to school or bus routes may not be safe to travel on – so the school may have to close. Headteachers will advise parents and carers using the following communication tools:

Outwith school hours, your local radio station is a good place to find out information on school closures. The following radio stations receive updated information every 30 mins from our website:

- **Northsound 1**
FM 96.9
- **Northsound 2**
MW 1035 kHz
- **BBC Radio Scotland**
FM 92.4 - 94.7MW 810 kHz
- **Moray Firth Radio**
FM 97.4 MW 1107 kHz
- **Waves Radio**
FM 101.2
- **Original 106 FM**

Twitter

<http://twitter.com/aberdeenshire>

Aberdeenshire Council Website

<https://online.aberdeenshire.gov.uk/Apps/schools-closures/>

You also have the option to sign up to receive email alerts when your school(s) updates their closure status:

<https://online.aberdeenshire.gov.uk/myAberdeenshire/>

School Information Line

Tel: **0370 054 4999** then **021840**. If you cannot get through first time, please do not put this number on redial. This will only lead to the line being busier.

Groupcall – school closures will be communicated to all families via Groupcall.

30 Storm Addresses

When there has been severe snow storm during the day it may be prudent for pupils who live some distance from the normal bus routes not to attempt to reach their homes but to spend the night in alternative accommodation nearer school. It is the parents responsibility to inform school about any pupils who may be at risk in such situations and to provide the name and address of a relative or friend who is willing to provide overnight accommodation.

31 Change of Address and Parental Contact Details

To enable us to make easy contact with parents, the school would appreciate if any changes of address, telephone number or circumstances is notified in writing to the School Office. It is also important that the school has details of an Emergency Contact should it prove impossible to get in touch with parents in the event of an emergency.

32 Anti-bullying Guidance

What is Bullying?

Aberdeenshire Council Education and Children's Services define bullying as the following:

Bullying takes place when the actions of an individual or group of people cause harm to someone by taking advantage of an imbalance of power within a relationship (whether perceived or real). Bullying behaviour can be persistent and/or intentional, but often it is neither.

Bullying can be verbal, physical, mental/emotional or cyber and is behaviour and impact. It can be intentional or unintentional, direct or indirect, persistent, or a one-off incident. The impact is on a person's ability to feel in control of themselves.

Bullying can be verbal, physical, emotional or cyber. It can be intentional or unintentional, direct or indirect, persistent, or a one-off incident. People who experience bullying behaviour feel vulnerable and/or socially isolated.

What will the school do about it?

Schools should promote consistency of response to instances of bullying behaviour using a 6-step approach. They will:

1. Record the Incident
-

2. Speak to the individuals involved having frank and honest dialogue
3. Speak to parents
4. Utilise Restorative approaches
5. Monitor the situation
6. Review and increase response accordingly

Aberdeenshire Council Education and Children's Services Anti-bullying Policy is due to be reviewed and updated in 2019/20.

More information can be found in our School's anti-bullying guidance and copies of this can also be accessed via the School Office.

33 School Meals

Primary School Lunches

School lunch is an important aspect of the school day. Not only does it provide children with a nutritionally balanced meal, it embraces their social and personal development.

How does my child choose their lunch?

First thing in the morning, the children select their meal using the school clever touch. The teacher will remind children about the menu options, but it helps if parents of the younger children have discussed this with them before they arrive.

Menus

There is a broad variety of choice and children rarely struggle to find something they like. All children are issued with a menu, but you can also check online.

Recipes online

Many of the items on the menu can be made at home. To access the recipes, click on the food item in the online menu and you will be taken to another page to view the ingredients and method for making the item yourself. Parents often comment that their child has enjoyed something unexpected at school. These online recipes also display important allergen and nutritional information.

A daily School Meal menu offers:

- two hot main course choices with accompanying vegetable and carbohydrate choices
 - the sandwich platter provides items making it an excellent alternative to a home pack lunch
 - soup is available 3 times a week
 - pudding choices include fresh fruit and yoghurt daily
 - a selection of breads are included with a school lunch meal
 - fresh drinking water is freely available with lunch
-

My Child has Allergies/ Intolerance

Parents should be aware that they can request dietary assistance for their children if there are medical or religious reasons for doing so. Children who require Medically Prescribed or Modified Diets, with parental/guardian assistance, should be identified during the admission process. Procedures are set in motion to accommodate these diets by a parent/guardian completing Admission Form D available from the school administration office. The School Management Team and the Catering staff will be happy to discuss your requirements.

Special Events and Celebrations

The children enjoy eating together and we encourage learning and wellbeing throughout lunchtime. Occasionally we celebrate special dates. The option for a packed lunch still applies but they are encouraged to sit with the school lunches to celebrate the event.

How much does a Primary School Meal cost?

£2.55 (August 2020)

How do I pay for Lunches?

Lunches are free for children in P1-3. Lunches P4-7 must be paid for online by accessing the myaberdeenshire portal - aberdeenshire.gov.uk/my - at the upper right-hand corner of the Aberdeenshire Council home page. This is very easy to do online using a mobile phone, iPad or laptop. It is very important to keep this account in credit as failure to do so triggers a time-consuming process for the School and Catering service. We aim to support the wider Authority to be debt free and require your support in this by ensuring you remember to top-up before sending your child for school meals.

Am I entitled to free school meals?

Click on the link to find a leaflet that explains the free school entitlement and how to go about it. [free school meals leaflet](#)

Online payments system aberdeenshire.gov.uk/my

Although you may not have a child in P4-7 we do encourage all parents to set up an account. Information on setting up an account can be found here [Link to payment set up](#)

What happens if I don't pay?

It's understandable that you may not appreciate the additional workload non-payment of lunches can create. Unfortunately, non-payment triggers a notification to our team members alerting them to the fact that there's no credit available. The Catering team may discuss the matter with the Senior Management, and they will work together to resolve the matter. The impact on the Admin Team also impacts on their ability to ensure other essential tasks are carried out.

What do I do if I can't pay?

We are here to support families so please let us know if you are unable to pay and we can do whatever we can to assist you. We understand that families lead busy lives meaning lunch payments are forgotten about or not prioritised. If you feel you can't pay, please look at the free school meal leaflet. If this doesn't apply to you, please let us know and we will work together with school and do whatever we can to assist you.

For further information or questions contact your school, school catering team or the Education Catering Service. primary.meals@aberdeenshire.gov.uk

34 Healthcare & Medical

Every child's health and welfare is very important to the school. Parents who have any concerns should let school know by telephoning or writing in. Alternatively parents can inform the Health Visitor or their own GP. Parents are requested to let the school know of any hospital appointments.

Parents/carers are requested to keep children at home for 24-48 hours if the child has diarrhoea, flu-like symptoms or is clearly unwell.

Always seeks a GP's advice before sending a child back to school. Please remember that other children can be vulnerable to infection.

The school is fortunate to have a nurse in attendance to undertake Health Interviews and provide advice on health matters for pupils. The school doctor will play a vital role in monitoring a child's health and well-being.

Although our medical staff provide help and advice as appropriate, all pupils must be registered with a doctor in general practice who should be consulted about health matters as they arise. Parents should provide us with the name and telephone number of their child's doctor and an up-to-date emergency contact for themselves in case it becomes necessary for a child to be sent home during school hours because of illness.

Aberdeenshire Community Dental Service inspect P1 and P7 children in schools as part of the National Dental Inspection Programme. Written parental consent is not required for dental inspections, but parents will be informed in writing approximately one week before the inspection date.

Most pupils will at some time have a medical condition that may affect their participation in school activities. For many this will be short term; perhaps finishing a course of medication to combat an infection.

Other pupils have medical conditions that, if not properly managed, could limit their access to education. Such pupils are regarded as having health care needs. Most children with health care needs are able to attend school regularly and, with some support from the school can access most school activities. However, school staff may need to take extra care in supervising some activities to ensure that pupils are not put at risk.

Planning formats may include either:

- Individual Pupil Protocol (IPP) (Med form 7).
- Health Care Plan written by Health professionals for very specific medical needs.

A risk assessment should also be completed.

The above can help schools to identify the necessary safety measures to support pupils with medical needs and ensure that they and others are not put at risk.

Please find the link below to our policy and guidance: Supporting Children and Young People with Healthcare needs and managing medicines in Educational Establishments

<http://asn-aberdeenshire.org/wp-content/uploads/2017/08/Supporting-Children-Managing-Medicines-Educational-Establishments.pdf>

Sunscreen - As children are outdoors for learning and for play, parents should apply this prior to sending children to school or nursery. School staff do not supply, nor do they apply, sunscreen creams.

If your child has long term medical conditions such as asthma or diabetes, which may require on-going support, this should be fully discussed with the school. In certain cases specific training of staff about a child's treatment may need to be given. In addition, some children have conditions which may require occasional staff intervention e.g. severe allergic conditions such as anaphylaxis.

Due to Covid-19 current guidelines the above is subject to change.

35 Exclusion

The foundation for schools, learning establishments and education authorities is a whole school ethos of prevention, early intervention and support against a background which promotes positive relationships, learning and behaviour. Where pupils who display behaviour, whereby attendance at the school would be likely to be seriously detrimental to order and discipline in the school or the educational well-being of the pupils there, and where other forms of support have proved unsuccessful, the Authority exclusion policy may apply. For further information on exclusions contact the school or go to:

http://www.aberdeenshire.gov.uk/media/3901/policy_disc_exclusion.pdf

36 Educational Visits

We offer various educational visits during the course of the school year. We believe that 'hands on' experiences greatly enhance a child's education, while also helping to make the necessary links between learning in school and life outwith school. Staff members and parent volunteers provide supervision to standards laid down by Aberdeenshire Education & Children's Services. We give parents as much notification as possible with regard to visits their children will participate in. **Due to Covid-19 current guidelines, educational visits are subject to change.**

37 Instrumental Tuition

From Primary 4 onwards, tuition is available for a range of musical instruments. All disciplines are taught in the secondary schools however not all disciplines are available in primary schools due to limited resources. Orchestral string instruments are not normally available to beginners at secondary level. Tuition is subject to availability. In Gourdon School some pupils currently receive tuition in violins.

For further information go to:

<http://aberdeenshire.gov.uk/schools/ims/>

38 Public Liability Insurance

Aberdeenshire Council holds third party liability insurance, which indemnifies the Council against claims from third parties, e.g. parents on behalf of pupils who have suffered injury, illness, loss or damage arising from the negligence of the Council or its employees. In these circumstances all claims are handled on behalf of the Council by external Insurers and Claims Handling Agents and compensation is dealt with on a strict legal liability basis. This means that there is no automatic compensation, the Council has to be found negligent in order for any compensation to be offered by our Insurers and / or Claims Handling Agents.

Whilst the school will exercise reasonable care for pupils' property, it is inevitable that property will be lost or damaged from time to time. Pupils' property which is worn or brought to school or left in bags/cloakrooms is at their own risk. This includes but is not restricted to personal items such as jewellery, phones/tablets watches and bicycles. Aberdeenshire Council cannot accept responsibility for loss or damage unless caused by negligence of the school or staff.

39 School Off Site Excursion Insurance

Aberdeenshire Council has in place a School Excursion Insurance policy, whereby both pupils and teachers are covered for offsite activities / trips both within the UK and abroad (offsite meaning off the school premises). The policy covers medical expenses, loss of baggage, cancellation (as specified in the policy), curtailment and change of itinerary (along with other sundry benefits) etc. for worldwide trips and adventurous activities (including winter sports), subject to policy terms and conditions being met.

If personal items such as jewellery, phones/tablets, watches etc. are taken on a school trip then these are taken at an individual's own risk and are not covered under the policy, unless damage or loss is caused by an Aberdeenshire Council employee.

Personal / individual cover is seen as a parental responsibility and it is your decision as to whether you feel it is appropriate to obtain this.

Please be advised, however, that the Duty of Care aspect below is not insurance related:

Duty of Care

The Authority has a duty of care in respect of pupils in its charge during school hours and as such has to take reasonable steps to ensure the safety of all primary and secondary pupils. This general duty of care continues if the children go home by way of school transport and ends when the child gets off the bus, at which point the parents then become responsible.

40 Data we hold and what we do with it.

As you are aware the new General Data Protection Regulations (GDPR (EU) 2016/769 came into force on Friday 25th May 2018. This change to the law gives parents/carers and young people greater control regarding how their personal data is used.

Digital technology has advanced greatly over the years and the Data Protection Act was also updated last year to take this into account and make it fit for purpose (Data Protection Act 2018).

Aberdeenshire Council is committed to full compliance with these regulations. When you are asked for information by Education & Children's Services, we will tell you why

we are collecting the information, how long we will hold it and the legal basis for gathering this information. A Privacy Notice has been issued to all schools relating to the information we hold on yourself and your child/ward.

41 The information we collect from you

Aberdeenshire Council collects personal data and information about your child in order to provide your child with a school education.

We will normally only share information (other than in child protection situations) in order to provide services for your child as part of his/her school education. We collect special category data about your child and process this because it is in the substantial public interest.

The information held by Aberdeenshire Council is used to assess, plan, coordinate, deliver and quality assure the education services to your child. The Council does not use an automated process for making decisions about your child or the services required; decisions are made with you. We will keep this information for a period of 5 years from the maximum school leaving age of your child, as required to by The Pupils' Educational Records (Scotland) Regulations 2003, unless we have a legal responsibility to keep the information for a longer period of time.

42 Your Data, Your Rights

You have legal rights about the way the Council handles and uses your data. More information about all of the rights you have is available on our website at: <https://www.aberdeenshire.gov.uk/online/legal-notice/data-protection/>. Alternatively you can contact the Council's Data Protection Officer by emailing DataProtection@aberdeenshire.gov.uk or in writing at: The Data Protection Officer, Town House, 34 Low Street, Banff, AB45 1AY.

You also have the right to make a complaint to the Information Commissioner's Office, (www.ico.org.uk). They are the body responsible for making sure organisations like the Council handle your data lawfully.

The Council is required where it is data controller under the GDPR to act in a transparent manner by providing information to individuals about how it will collect and use their personal data. Privacy Notices are an essential part of complying with this requirement. The Privacy Notice must provide information to individuals in a concise, transparent, intelligible and easily accessible way and must be written in clear and plain language. There are a number of examples available on <http://publications.aberdeenshire.gov.uk/dataset/education-privacy-notice>.

43 Parental Access to Records

Access Requests are the formal process by which individuals can seek information held about them (or their children) by the council. The requests can be broad, in terms of everything that is held, or quite specific - everything held by a specific department, establishment, team or individual. We have a legal requirement to provide the information under the Data Protection Act 2018. An Access Request is wider than an Educational Record in that it will include all personal data held about a child not just their educational record. Further information can be found at:

<https://ico.org.uk/your-data-matters/>

The Pupils' Educational Records (Scotland) Regulations 2003 means that you can get access to your child's records. Details of the regulations and process for obtaining information specific to pupils are available by contacting the school directly or can be found at:

<https://education.gov.scot/parentzone/my-school/general-school-information/My%20child's%20record>

44 Information Sharing

In terms of effective communication, including sharing relevant and proportionate information, where appropriate, Aberdeenshire Council in accordance with the Data Protection Act 2018 and Human Rights Act 1998 adheres to this as part of our current routine practice.

45 ScotXed

ScotXed is a term used to represent the Scottish Government's Education Analytical Services, which is part of the Scottish Government's Learning Directorate.

ScotXed have legal powers to request data with regards all children and young people being educated in Scotland's schools, with the information collected about pupils and staff in schools used to help to improve education across Scotland. They do not collect the names of your child/children and they do not receive any contact details the school may have for you (e.g. telephone number, email address), and no information is published or made publicly available that would allow your child/children to be identified. More information on what and why they need data about your child/children, along with how they collect and store it is available in their Education Statistics Privacy Notices for parents and carers:

<https://www2.gov.scot/Topics/Statistics/ScotXed/SchoolEducation/ESPrivacyNotices>

If you have any concerns around the national ScotXed data collections, you can:

- Contact the Data Protection & Information Assets team at the Scottish Government on dpa@gov.scot, or
 - The Head of Education Analytical Services, Mick Wilson, on at mick.wilson@gov.scot,
 - You can write to them at Education Analytical Services, Area 2A-North, Victoria Quay, Leith, EH6 6QQ.
 - Alternatively, complaints may be raised with the Information Commissioners Office at casework@ico.org.uk.
